

Local Music Stores

Stores on this list rent violins, violas, cellos, and basses. They also sell books, supplies, and perform repair work. (SMR Double Bases only specializes in double-bass instruments, supplies, and repairs.) You are welcome to rent from any quality music store. If you have previously rented from a store not on the list, please refer to your rental paperwork for contact information. Please consult Mr. Janossy for advice before purchasing an instrument.
